Dear Sertoma Members:

How can I begin to thank you for such an amazing gift, in addition to all you have already done for Windwood Farm? The overwhelming generosity your club has demonstrated through the years warrants more than a simple "thank you," but that is all I have to offer. However, you must feel immense satisfaction in knowing you've played such a significant role in redirecting young lives toward becoming useful, productive members of society. You've chosen a very important, meaningful, and focused way to give back to your community by working with us to literally change lives.

I was very impressed by those who attended the workday in March. Everyone pitched in and was willing to do whatever job was assigned. I like your spirit! Not everyone is willing to do the "dirty work" involved in caring for our property and our boys, in addition to providing so magnificently for them financially. Thank you with all my heart.

April is *National Child Abuse Awareness Month*, and Windwood Farm is launching an awareness campaign to expose and combat this appalling crime against the youngest and most vulnerable members of our community: our children. The campaign theme is: **CHILD ABUSE HURTS! Be Part of the Solution**. Your annual gift will again enable us to continue being part of the solution – reaching out to abused children and their families.

With sincere gratitude,

Judy C. Ward
